In response to endorse-

to say that Robert H. Kinney was Commissioned Adjutant
of the 32d Ky Vol Inf with the rank of 1st Lieutenant
on the 31st day of January 1863 and Mustered in as such
by Col Sanders at Mulledgeville on the 15th of April 1863,
He was Commissioned ^{Adjutant} of the Regiment and not of a portion,
and for the period of nine months. As Adjutant he
belonged to the Regiment and not to the portion in which
he originally enlisted. It was for this reason that he was
not Mustered out with Co. A & B.

Commissary, 32nd V.I.

I beg leave to offer my resignation as adjutant of
32nd Kentucky Volunteer Infantry -

My reason for doing so, is that the part of the regi-
ment to which I belonged, has been mustered out of service,
while the remainder of the regiment, (being a nine months
men) will be mustered out in two or three months, - and
I am satisfied that the two companies mustered out, will
re-enter the service, & I wish to be with them, besides I
expect to re-enter the service immediately - under Genl.
S. S. Fry - & I have a chance of promotion -

The foregoing reason is sufficient, though there
are others which I might offer -

I might say that, it is not expected for me to
remain as adjutant, but for a month or two after the or-
ganization of the Battalion -

Please forward this application which
I hope may be acted on as soon as practicable, - I do not
wish to be behind hand, in raising one of the new regiments
for 12 mo or 3 years - & my present position prevents -

I am ready & willing to stand any examination
or to perform duties as an officer, full time or part
at any time. I expect to do -

Respectfully

3. " Upon the recommendation of a Commission appointed in accordance with instructions from the A. G. O. of date Aug 28th 1863 - Priv David Warner Co "C" 32^d Ky Inf is hereby relieved from the charge of desertion. He will report to Brig Col H. H. Liddell Chief Mustering and Disbursing officer for muster out of service. But with loss of all pay and allowances during his unauthorized absence Two (2) months and two (2) days.

By Command of Major General Palmer:

Ber. W. Sullivan

Assistant Adjutant General.

Col Liddell

War Department,

Adjutant General's Office.

Washington, July 31, 1865.

Sir:

In reply to your letter requesting a Descriptive List of David Harbor, a Private in Company "D", 33^d Regiment Kentucky Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office; which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT. DESCRIPTION, &c.

David Harbor, a Private in Company "D", 33^d Regiment of Kentucky Volunteers, is 24 years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 7th day of January, 1863, at the town of Whitely Co. in the State of Kentucky by Capt. White, and mustered into the service of the United States on the 29th day of May, 1863, at the town of Jennings in the State of Kentucky by Capt. Casey, to serve for the period of 9 months during the war.

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the month of August, 1863, that he was paid by Paymaster Harvey due from Enrolment 180

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

See no latest on file report him Discharged June 11th 1862 at Jennings Ky Due 248 for Clothing \$31.76

Very respectfully,

Your obedient servant,

Chas. P. Cook

Assistant Adjutant General.
(7)

Simon Snyder Capt. 5th U.S. Infy.
Adj. G. Office
Louisville Ky.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be submitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

New York, Sept 14th 1863

Office, Commissary of Mustering

St. Louis, Mo. Sept 20, 1863

The enclosed papers having been examined as directed, are respectfully returned, with the following remarks - viz:

The War Department has deemed it necessary to establish certain rules for the guidance of Mustering Officers in the performance of their duties, with which they are expected, and required, to comply strictly. One of these rules is that "upon the completion of the organization of six Companies" (intending a Major) can be mustered into service" not shall be. It is evident from this rule that a Major can not be mustered in before the completion of the organization of the required number of Companies, regardless of the number of men enrolled. It is asserted that at one time there were men enough in camp to complete a Regiment. Why were they not trained and presented to the Mustering Officers with the others? In my opinion the number of unorganized men present in camp is a matter of no importance in deciding upon a question of this character. It is the number of distinct, complete organizations, alone, to be considered. As Major Morrison could not be mustered into the service before the completion of a certain number of Companies, it follows as a matter of course, that, from existing regulations, he is not entitled to pay prior to that date. This question appears to have been decided by the endorsement at the Adjutant General's Office.

Malcolm Russell

I am as always

IP. 692^(ass.) vol. 1863

Somerset Kentucky
April 29th 1863

Major

By an examination of ^{your} Pay rolls you will find that on the 1st of Dec 1862, the 32d Ky Vol Inf had five hundred enlisted men, in accordance with the roll laid down by you, (at that time had a Mustering officer been sent to us we would have been entitled to a Lt Colonel's Major, It is true that we did not have our men consolidated into six Co's but we did have the complement to entitle the Regt to two field officers and we think the field officers should receive pay to say the least of it from the time the private or men were enlisted whether they were consolidated into Co's or not. Under this view of the case Major Morrison should receive pay from the 1st of Dec, He is willing to take his pay from that time and I think when your attention is called to the point I make your decision, see the instructions of it, you looked only to the actual organization of the Co's and did not calculate the actual number of men enlisted on a specific day. Had your attention been called to the point at the time I know no doubt that you would have concurred with me. If I am right in my view you can send me check to this place for the amt of amt on the pay roll as made out and to Major Morrison from the 1st of Dec to the 28th of January. In paying out in that way I don't think you should be making anything, I was satisfied with the amt you offered me but I then thought it could have been that the Maj should receive more for the labor he performed. Our pay rolls are signed and if you can send us the money in accordance with the roll above laid down I would rather it as a favor.

Major

I would respectfully refer to you the accompanying letter, with the statement, that John A. Morrison was originally appointed, Col. of the 45th Reg. Inftry which was consolidated with the 43rd Reg. Inftry. to the latter regiment Thomas B. Morrow was appointed Col. and John A. Morrison reappointed Lieut Colonel.

The 43rd was then consolidated with the 32nd Reg. Inftry. and when the companies were organized, there was but eight, thus, the regiment was only entitled to a Lieut. Col. and Major, and Thomas B. Morrow was appointed Lt Col. and John A. Morrison Major, as such they were mustered in April 10th 1863. Some of these companies had been in service six months and at different times there had been in camp enough men to have organized a regiment, but for want of proper attention on the part of the State Authorities, and the ignorance of the officers, they were

not mustered in until April, Major Morrison
would have been entitled to be mustered in as Lieut. Col.
prior to the date from which I offered to pay him as
Major, could he have found an officer to muster him
in. The consolidation taking place before he
was mustered in he could only be mustered
as Major.

In consideration of the circumstances and
the actual services he has performed, would
it not be proper to pay Major Morrison from the
date when there was enough men enrolled in
camp that would have organized six compa-
nies, although there was not six companies or-
ganized, and it was prior to their mustering in.
They had him in service and under orders in
the field.

Very Respectfully
Yours obt. Servt-
